

Sunday Worship Service At Trinity

IMPORTANT: Read all the way to the bottom, as this document contains critical information

Out of an abundance of caution and taking into consideration the guidelines set forth by the state of California, we will offer an outdoor, modified worship service on Sundays at 9:00 AM. Please **carefully** read the details below:

If you are not feeling well, or have been ill in the past 14 days, please stay home
If you are in a COVID-19 high risk group, please stay home

- Gates will open at 8:30 AM (please social distance yourselves while waiting)
- The service will be outside in the sunshine! (we feel this is the safest option at this time)
- Follow the direction of staff members and ushers at all times
- Bring your own chair - we will NOT have any seating available (bringing your own seating minimizes the possibility of transmitting germs to common-use surfaces)
- Masks are **required** (please bring one with you and wear it while on campus)
- Maintain social distance of 6 feet at all times, including in the parking lot (families residing in the same household may sit together less than 6 feet apart)
- Respect that others may want to strictly adhere to social distancing (DO NOT go in for the hug or handshake!)
- **Protect our pastors and staff, who will be strictly adhering to social distancing protocols**
- No communion will be served at this service (drive through communion will be offered in the future, as we feel this is the safest way to distribute it at this time. Watch the midweek update emails for information on the date of the next drive through communion opportunity)
- No coffee hour after the service
- Reserve the area under the patio and popups for the elderly and those with babies/small children
- Feel free to bring your own water, but kindly take all trash with you when you leave
- Bring your phone, as the lyrics for the songs will be available by clicking the link in the Sunday Worship email

We will continue to make online services available for those who choose to worship in that format. We understand and respect your choice to worship at home if you do not yet feel it's safe to come to church, you are in a high-risk group or are ill or have been ill in the past 14 days.

Trinity Lutheran Church assumes no liability in the event that anyone attending the service should contract coronavirus or any other illness.

Bonus! Bible Study (*Christian Living in a COVID-19 World*) will be held on the patio after the service from 10:15 - 11:00 AM. Please adhere to all the aforementioned social distancing and mask wearing protocols when you attend.
